

Name: \_\_\_\_\_

Period: \_\_\_\_\_

1950s America & Atomic Anxiety  
***Duck & Cover***

1. How does Bert the Turtle protect himself?
  2. List some of dangers that the video compares to a nuclear attack? Are these comparisons really equatable?
  3. Do you think the video oversimplifies the effects of a nuclear explosion & what people should do in the event of an explosion? Use specific examples to justify your opinion.
